Walking in the school, Monday, September 23, was a shock because of all of the people wearing Mickey Mouse Sweat-

shirts and ears. I then remembered that it was homecoming week and the first day of Spirit Week was Disney Day.

The week was filled with activities. After Disney Day, Tuesday was Surfer Day, and Wednesday was 60's Day, Thursday was Carnival Day, and finally, Friday was Big Red Day. By the middle of the week the halls were decorated. Though all were elaborate, the judges decided that the junior hall was the best.

The school spirit and homecoming excitement was at its peak during the games prior to the football game. Many excited students from each class participated in the tricycle race, tug-of-war, orange-battling, juggling, GHS Classic Toilet Race, and of course, the infamous suck and blow contest. Winners of the competitions were the Class of '92 ... Seniors, of course.

The final homecoming activity was the annual dance. It lasted until midnight and was a time for all students to celebrate the victory and just have a good time. Nope, noone who

participated in 1991 Football Homecoming will ever forget the experience ... they made a memory to cherish forever.

# Home Coming

"I will remember that the halls were all decorated. It seemed as if the only two colors in the world were red and white."

— Sunshine Barton, 11

"I won't forget the screaming and the yelling of the fans, the decorations and the spirit our school had."

Shane Sample, 10

"I will remember the Spirit dress-up week, the band and guards performance, the game we won and being disappointed because I couldn't go to the homecoming dance."

April Randolph, 12

## What Do You Remember?

"I will remember how the golds of the autumn sunset splashed the sky with color and shone brightly through the pregame activities on the wildest group of kids and teachers I have ever had the joy of watching."

Mrs. Mochamer

"I Remember Mama" is a play of personal remembrance. Told through the words and recollections of Katrin

Hanson, the eldest daughter of a Norwegian immigrant family living in San Francisco about 1910, the story focuses on Katrin's poignant memories of her family's struggles to make ends meet.

Act I centers mostly on getting to know the family. We also meet the aunts: Jenny, the bossy one; Sigrid, the whiner; and Trina, the old maid whose desire to be married to Mr. Thorkelson, the undertaker, creates a blending of action which comes to a head at the hospital where both Katrin's sister, Dagmar, and Sigrid's son, Arne, are hospitalized.

Act II begins after Dagmar's surgery and progresses through scenes during which Mama and Katrin learn to get to know each other better and the audience learns to love and appreciate Mama's simple strength and wisdom. Not only must Mama deal with Dagmar's dying cat, she must also confront her boarder's defection, Aunt Jenny's endless meddling, and Uncle Chris' death. The play ends with Katrin's remembrance of Mama's role in aiding Katrin's writing career. Mama, determined to give her daughter every chance, goes to see a famous writer who eventually agrees to give Katrin some advice. That advice becomes the catalyst for the final scene, during which we are reminded

of the tremendous love and support of the Hanson family, anchored firmly by its most formidable member: Mama.

The play couldn't have gone on without the stage crew. Here's two members, Christian Lehman and Jeremy Brunk.

The second year Mr. G.H.S. contest was held on Tuesday, Feb. 18 at 6:30 pm. The participants: Ben Yost, Josh

Kaufman, Jeremy Bear, Scott Miller, John Herbon, Timothy Strycker, Jeff Feeney, Jonathon Wray, and James Moy were judged by three judges. The judges were Patsy Keim, Mark Deroucher, and Dan Eckelbarger. The mistress of the ceremony was Linda Berry.

Jeff Feeney, whose charity was the United Cancer Society, won second runner-up. Josh Kaufman, who chose the Mennonite Disaster Services for his charity won first runner-up. And finally, Ben Yost, whose charity was Amnesty International, was named Mr. G.H.S. of 1992. The three,

winners were awarded dollar amounts, which they donated to their charity.

The Married Life class of GHS had their twelfth annual wedding March sixth at The First Church of God. The

ceremony was performed at 10:30. Bill Gayton and Nancy Vega were married. Vega had two bridesmaids, Jenny Oltz and Tonis Wolski and Cassie Scheidel was the maid of honor. Scott Phenis and Eric Robbins were the groomsmen, while Rick Evans was the best man. Jill Kasprzak and Pia Prestmo, were usherettes. The ceremony that Vega and Gayton used is an actual ceremony performed at a real wedding. "We want the students to realize the seriousness of the commitment," said Dee Kinney.

The married life class does much more than just have a wedding. They have a variety of speakers from the community come and give discussions. They have many different topics throughout the semester. Once the wedding is over, a travel agent comes and talks to students about honeymoons.

The last six weeks the students have "egg babies". They have to take full responsibility of the eggs. If the baby dies (or cracks) they have to write a report on some type of child abuse. The third six weeks someone brings in an empathy

belly which is a contraption that gives the feel for being pregnant.

New York's Times Square is "home" for the likes of Nicely-Nicely Johnson, Harry The Horse and Angie The

Ox, but chief of the scroungers is Nathan Detroit, who earns a living by arranging, mainly for eager out-of-towners come to enjoy the big city, "the oldest established permanent floating crap game in New York." The game finally takes place in the Save-A-Souls Mission one night while the Salvation Army is holding an all-night street revival; then it adjourns to a platform in a city sewer.

Nathan has been engaged for 14 years to the Hot Box girl, Miss Adelaide, but has never had cash and courage combined to actually get married. Chief of the highrolling gamblers is Sky Masterson. To make an easy thousand dollars, Nathan bets Sky there's one doll he cannot persuade to go to Havana with him, and he introduces him to Captain Sarah Brown of the Save-A-Soul Mission. Sky wins the bet by promising Sarah a dozen sinners to attend her mission, and gets them as forfeits in the sewer crap

game. Sky sings "Luck Be A Lady" and she smiles on him.

He wins the game, and, of course, the girl.

The marine biology class left for Florida April 4th and returned April 12th. There were thirty-seven students that

went twenty-seven from Goshen, two from Bethany, one from Northridge and seven from Westview.

The class started meeting March 14th. They met three Saturdays prior to the trip from 8:00-12:00. Their goal was to get twelve hours of instruction time in Goshen before going to Florida.

"We talked about the ocean environment, requirements and expectations for the trip, the plants and animals that we will study; precautions in doing our work," said Mr. Weaver. Mr. Weaver hopes students in this class learn an appreciation of the marine environment as a vast resource for mankind, and an appreciation of marine plants and animals.

While in Florida, the students researched plant and animal identities, classifications and studied marine habitats.

They attended daily seminars and most importantly, relaxed.

*The 50th Goshen Relays ended in heartbreak as North-*

wood edged Goshen 71-69 for the class B title. Graham Clark defended his long jump title with a leap of 20'3¼", over 13" better than the second place finisher. In addition, Clark anchored the 1600 relay team to victory and also ran in the winning 800 relay unit with Ryan Lankford, Jerrod Bardwell and Tom Panyako. Bardwell finished third in high hurdles despite a career-best time of 14.97 seconds and also ran on the victorious sprint relay team with Lankford, Shawn Betts and Shad Hartsough. Lankford also finished third in the 100 dash. Joe Kenawell, Glenn Stutsman, Greig Huber and Clark won the 1600 relay. Kenawell, Huber, Eric Solyom and Jon Payne took second in the 3200 relay. Jim Robey, Panyako, Betts and Hartsough fin-

*ished sixth in the spring medley. Huber and Adam Watkins both finished fourth in the 1600 and low hurdles respectively.*

"Does my hair look okay?"

"Is there a run in my panty hose?"

"My feet hurt."

"Is my eyeliner running?"

"Did you see the dress Jill Bush is wearing? She might as well be wearing band aid."

"My zipper broke. Does anyone have a paper clip?"

What do these six quotes have in common? They were all common worries or statements said in the girls bathroom on the evening of prom. I'm not quite sure what was said in the boy's bathroom, but I really don't think that I want to know what was said.

Prom was Saturday, May 16th, with pictures at 8:00 and dancing at 9:00 until midnight. The gym, which did not even resemble the gym, was decorated elaborately with gold, burgundy and dark green colors. There were a variety of plants placed around the gym resembling a small jungle. However, the masks and chandeliers all over the gym made it look like a real masquerade.

One new feature added to prom this year was a live band. The band "Zones" is a rock band that entertained the prom crowd with uplifting music. There was also a DJ, who traded sets with the band.

The theme song was Firehouse's "Love of a Lifetime." The crowning of the King and Queen was done at 10:30. Brooke Berry and Mark Underwood were crowned princess and prince. Josh Kauffman was crowned King while Julie

Goss was crowned Queen of the prom. The annual garter exchange was at 11:00.

*The 1991-92 Crimsonaires opened their year with the*

annual Fall Preview in October. The next major focus was the Christmas season. As well as performing at the Christmas concert, the group was featured, along with other area schools, on Channel 16's "Sounds of the Holidays." The Crimsonaires also provided entertainment for hundreds of youths from all over the state in the State Student Council Convention held at GHS. The month of May was the next busy season. The Crimsonaires performed for several Mother-Daughter Banquets and the elementary school tour. Along with the Orchestra and Advanced Choir, The Crimsonaires traveled to New York City to participate in the Maestro Music Festival where they received a Gold/Superior rating. June brought the largest performance of the year and the graduation of 14 members; the Crimsonaire Spectacular celebrated the 30th Anniversary of the Crimson-

*aires. Then went on to perform one last time at the International Kiwanis Convention held in Indianapolis.*

Todd Beiler, Jeremy Brunk, Ben Yost, and Phil Smucker, performing their "pep" music at a Basketball game.

RED music filled the air as the gracious listeners responded with trophies, awards, and applause from various contests, festivals and functions. The season began with the Fall Fantasia featuring the Crimson Choir, the Advanced, and Women's Choir. The only choir not performing was the always fabulous Crimsonaires who ended their celebrated season with the Spring Spectacular.

The choir ended it's season by competing in New York joined by the GHS orchestra. The orchestra previously in the year had received a respectable 6th place at the state competition. And the chamber orchestra played many weddings and engagements.

Finally, the largest musical group at GHS, the Marching Band, placed 4th at state competition while the Drum Line placed 1st in the nation at the Sparter Festival in Chicago. Also, the Concert Band received a 1st division rating. And our basketball fans won't let us forget the Pep Band who fired up the crowd and team at each and every home game.

Team "G" Racing

The '57 lights 'em up at Milan Dragway

Team "G" recently established by the Auto Mechanics instructor, Paul Williams, to emphasize drag racing, has evolved into an extracurricular activity.

This school year Team "G" rebuilt a 1970 Camaro while updating their original 1957 Chevy Belair. These cars have already proved winners for Team "G": the

Camaro driven by Ryan Gortney, placed 2nd in the money class at Osceola, and the Belair, driven by Chris Greer, placed 3rd in bracket 1 at the MoTech High School Drag Nationals.

The '57 struttin' it's stuff at Martin, Michigan.

# Golf

The 1991 girls' golf team had another great season. The team record of 15-4, and finishing second in the sectional were highlights of the season. The sectional score of 379 was three shots away from the sectional winner. A second place in the NLC tournament was a disappointment after winning it the previous two years. The overall performance in the regional was shaky with a seventh place finish. As the season progressed it became obvious that the team strength was the depth on the squad. Senior Jill Kasprzak was captain; Nikki Stutzman and Tina Lambright were named MVP winners as there was only one stroke difference in their total strokes for the season.

Based on the athletic ability of the squad, this year's performance and, if each player improves her approach shots to the greens, next year's team could be the best girls' golf team ever at GHS.

# Volleyball

This fall the 1991 volleyball teams had a very successful season combining for 47 victories. The varsity (18-9), junior varsity (14-1) and freshman (15-4) dropped only 15 matches. Highlighting the season were championships by both the varsity and junior varsity in their own invitational tournaments.

Giving leadership to the varsity were Co-Most Valuable seniors, Melissa Iwema and Cristi Weaver. Both were also honored as NLC All-Conference players. Senior Suzanne Juday was named to the honorable mention team. Receiving the Barb Zook Mental Attitude Award was senior Carrie Peck. Sophomore Erika Martin was voted most improved, while junior Shelly Shetler received the WKAM Coaches Award. Nanci Yoder received the JV Award, and Amber Perry was named the Outstanding Freshman team player. The highest Scholar Athletic Awards went to senior Missy Klasc, junior Shelly Shelter, sophomore Janneken Smucker, and freshmen Chandra Barkes and Jessica Yoder.

# Cross Country

After defeating the defending NLC champions, Northwood, in the opening conference meet, it appeared that a successful winning season could be accomplished until losing two of the top five runners. The loss placed too high of a demand on the inexperienced classmen. However, it was encouraging that the team rallied at the NLC championship meet and placed fifth, just six points from the third team position. Senior Eric Solyom and junior Greg Huber earned All-Conference honors resulting from that effort. Although the team did not perform as well, it placed seventh and advanced to regional competition.

Award winners for the 1991 season were: Eric Solyom — Most Valuable, Greg Leatherman Scholarship, and Captain: Senior David Hubbard — WKAM Coaches Award; junior Dennis Wiese — Paul Underwood Mental Attitude Award; sophomore Jim Robey — Most Improved; freshman Pat Johnson — Scholar-Athletic; and freshman Joe Kenewell — Freshman Award.

The Goshen High School girls' cross-country team finished their season with an overall record of 2 wins and 10 losses, 1-5 in the conference. A highlight of the season was freshman Amy Hernly. A fourth place finish at the NLC meet gave her All-Conference honors and set her up for some good runs in the IHSAA tournament series, including a 48th place finish at the Semi-State. Amy was named Most Valuable Runner for the year. The Most Improved runners were Kenna Mack and Jennifer Larimer. Sarah Havekost was the recipient of the WKAM Coaches Award and Kelly Kintigh was the Captain.

# Football

The 1991 Goshen Redskins football team ended the season with a winning record of 5 wins and 4 losses. The 'Skins entered the season as a young team with only four returning senior starters. The 'Skins opened the '91 campaign with a hard fought win over South Bend Clay. Opening their conference against undefeated Northwood the Redskins came away with one of their biggest wins of the season as they shut out the Panthers by the score of 25-0.

The Redskins ended the season in second place in the NLC. In the last five years the 'Skins have finished in either first or second place in the conference. Jason Zentz and Jeremy Bear were both selected to the First Team All-Conference squad. Jon Krider was selected as Honorable Mention. Senior line-backer Jason Zentz was selected as the team MVP. The Redskins will miss the departed seniors, but 19 lettermen will be returning next fall for what should be another exciting year of Redskin football.

The desire of this team to achieve their goals established in pre-season united the team with a deep sense of purpose to accomplish those goals no matter what obstacle lay before them. Besides finishing the season with a record of 13 wins and 8 losses, the team also finished in the top three in the area on defense for the fifth straight year. This team established new team records for steals in a game at 23, rebounds in a game at 40, and offensive rebounds in a game at 20.

A young junior varsity team where seven of ten players were freshman, finished with a fine record of 11 and 5 under first-year coach Jan Lenagacher. Laura Denman's freshman team got off to a slow start but steadily improved to finish the year at 6 and 8.

# Boys Basketball

Sectional — Goshen vs. Bethany

The 1991-92 boys' varsity basketball team captured the title at the inaugural IHSAA Goshen Boys' Basketball Sectional with a 61-37 victory over the Northridge Raiders — their first sectional championship in 23 years.

With a record of 21-4, the club possessed the most wins of any team since the 1969 John Ritter — led ball club.

Senior Matt Grieser was named the tournaments MVP with his performance in wins over Bethany Christian and Northwood. Grieser and fellow seniors Mike Miller and Chad Defrees were named to the first — team ALL NLC the following week.

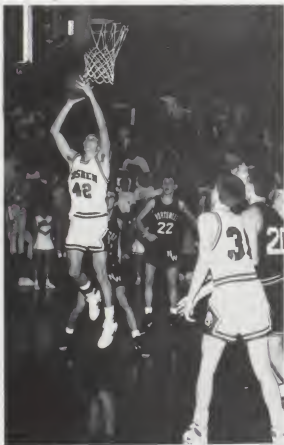

After defeating Penn 38-32 in a tough defensive battle, the Redskins fought valiantly before losing to St. Joe 56-47.

# Softball

The 1992 girls' softball team finished the season 7-15. Despite the losing record, the team showed much promise and character. The team was led by only three seniors: Melissa Iwema, Kysa Hawkins, and Missy Klase. Junior Nikki Stutzman was named to the All-Conference 1st team. Although the seniors did a fine job on providing leadership, the team was still predominately young. This, However, will be a factor in the success of the future.

Senior Mike Brouillette is ready for the throw to first base.

The Redskins finished 3rd in the NLC. They finished behind Plymouth (12-0) and Northridge (8-4). This was quite an accomplishment due to the fact that the NLC was extremely strong this year.

Individually Jr. Brock Doss is leading the team in hitting with a .395 batting average. Behind Brock are Sr. Eric Evans (.390) and So. Allen Hodge (.347). These three are also the leading RBI men. Eric Evans has 7 homeruns, one more would tie him for the season record held by Mike Moon. Allen Hodge has 5 homeruns. Pitching wise Sr. David Rupp has 5 wins with Srs. Jeff Cripe and Mike Brouillette with 4 a piece. The team's pre-sectional record was 17-11.

# Boys' Golf

Kevin Lowell practices his swing before taking the shot.

The 1992 Boys' Golf season was played with golfers with limited competitive experience. As the season progressed eight different players played in varsity matches. The team was led by sophomore Jon Everingham and junior David Binkley. Senior Scott Miller made good contributions in his role as captain and a regular on the varsity. Jim Brinkruff earned and maintained a varsity the last two-thirds of the season. The fifth position was shared by Todd Stelma, Stefan Kirk, Matt Couch, and Tim Peck. The team turned in a winning dual match record of 12-11 which speaks well of the efforts of the team.

Overall it was a successful season with a number of players reaching some individual goals and learning the fundamentals, which will help them in their future seasons.

# Girls' Tennis

Senior Julie Mirer strokes a backhand.

The girls' tennis team started the season off on the right foot this year. The team has played with a lot of depth this season. All the positions from #1 singles to #2 doubles were very strong.

On May 2nd the team traveled to the Dekalb Invitational. Goshen brought home 2nd place, losing only to Dekalb. Individual winners included: Shelly Kindig at #1 singles and Erin Ogle and Becky Stump at #2 doubles.

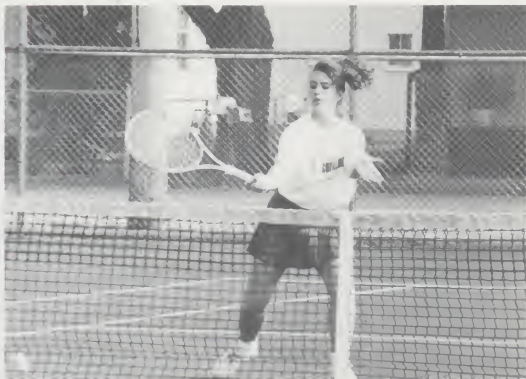

The team also competed successfully in the NLC which was May 15th and 16th at Northwood High School. The JV team also traveled to Warsaw for a JV Invitational.

This year there were only five JV players. They all have great promise and attitudes for very successful varsity teams in the future.

They finished the year by winning their Sectional, but were defeated by Concord in Regional; however, Shelly Kindig went on to compete at State.

**Most  
Embarrassing  
Moments**

"When I was a Freshman I went to State with the football team and one day after practice they threw me outside in just my towel after my shower."  
— Jeremy Bear

"When I went to pick a friend's daughter up at the babysitter and I went to the wrong house and made an old lady extremely mad. She thought I was going to kill her."  
— Tamra Stanley

"I remember when I was in 5th grade and I was getting ready to sit down and a kid who sat in back of me pulled my chair from behind me and I fell on the floor and everyone laughed. It was so embarrassing!"  
— April Randolph

"It was the first day of my Freshman year, and my first experience in a public school was going to the wrong classroom on the wrong floor. I ended up in a Junior-Senior class instead of my Freshmen class."  
— Jarrod Gamauf

"I was warming up before the Northridge game my Sophomore year when something embarrassing happened. The managers set my kicking net up in some sandy grass so it was slippery. When I went to warm up I slipped and fell in front of 2,000 people. I felt embarrassed. But the worst part is I got a pulled groin muscle that affected me the next few games."  
— Rick Cain

"When I was at my boyfriend's prom my Sophomore year we were in the room where the pictures were being taken, watching my friend get her picture taken with her date when I tripped and fell on a cart skid in front of everyone just because I was trying to see them, while in the meantime I didn't see the skid."  
— Kristi Taber

"When I was a Sophomore, I was walking down one of the gym hallways with about six Senior girls. I had my gym bag over my shoulder and as I walked by the basketball office a handle on my bag got caught on the doorknob and it jerked me back so hard I about fell and all the girls were laughing at me."  
— Aaron VanArsdale

## WE ARE PEOPLE HELPING PEOPLE

### Caring Close to Home

If it is true that a hospital is people, then there has always been a hospital in our community. Since the days when the "hospital" was a handful of beds in a room above the doctor's office, there have been people providing for our community's health-care needs.

The hospital we know today as Goshen General Hospital began in 1909, when the people of the Goshen area held the first meeting to organize the Goshen Hospital and Training School. After several years of fund raising, the hospital opened its doors on Fifth Street with a bed capacity of 25. The new hospital in its present grounds was opened in 1955.

Since that time, Goshen General Hospital has invested considerably in updating and expanding its facilities to provide the most progressive medical services available.

Medical technology has changed greatly, and new technology and treatments are developing faster than ever today. But one thing that has never changed — and never will change — is our commitment to caring. Caring extends not only to individual patients, but to their families as well. Caring that comes from therapists, technicians and service staff as well as from doctors and nurses. Caring not only from the hospital to the community, but from the community to the hospital, as evidenced by our outstanding volunteer programs.

And therein lies the story of Goshen General Hospital. It is a story of caring that extends from the people of the hospital to the people of the community and back again. There has always been a hospital in our community and, thanks to your support, there always will be.

If you want to become part of this caring for people, you can't ask for a greater reward in life. We encourage you to consider a career in the health care field.

## Tracy Lynn Corpe 1975-1991

by Krista Mornis

Tracy was the kind of person who was bound to end up as your friend. She was bubbly, exuberant, and hilarious. Tracy had beautiful blue eyes that would someday become pale and hollow.

Tracy's obituary on June 8 read, "Tracy Lynn Corpe ... died in her home following a four year battle with cancer ..." Somehow this doesn't sum it all up.

Even now I can recall her smile and most of all, her laugh. I still haven't forgotten the phone calls, tears, and the fervent prayers. Tracy was always on top of her situation, and she managed to keep her sense of humor through all of her struggles.

Tracy had been close to death many times, but somehow everyone could sense that this was the final chapter. As I prayed the

night before she died, I knew when I woke up that I wouldn't have to worry about Tracy's pain. The next morning I found a note on my beside table telling me to call Tracy's best friend. I already knew what had happened: there was no need to call.

During the visitation, Tracy's mother told me something I will never forget. She said, "I know you will see Tracy in heaven, but what about the rest of her friends? Tracy wants to see all of her friends in heaven with her." One thing many people did not know was that Tracy was a Christian and now she is waiting for all of us to come and meet her. Tracy's funeral was tough on everyone involved, but knowing that she is healthy and happy again has taken away much of the grief.

## Lance Irving 1977-1992

GHS freshman Lance Irving, a Down Syndrome patient, died unexpectedly March 28 of natural causes. New to GHS, the fifteen-year-old previously attended Goshen Middle School and Model Elementary.

Active in the Special Olympics

and Saturday Club, Lance will be remembered by his classmates as happy, and pleasing. He was always willing to try something new and he loved just being a friend.

A very special kid, Lance's smile and laughter will be missed.

## Derek Burkhead 1973-1992

Derek died just one day after his graduation ceremony, which he was unable to attend; however, Derek left many lasting impressions on both faculty and students.

Derek, being an active part of the basketball program at GHS, enabled

Coach Sorrell to really get to know him, "Derek has given much honor, respect and prestige to the work of student manager."

Also, Matt Grieser has this to say, "When he was around, there was always certain aura of excitement
